Runners-up, above from left, GARY KAHN, participated in basketball, baseball, and cross country. Kahn's major interest was Student Government in which he served as a representative for a year and chairman of student welfare this past year. Other activities included Varsity "S" and I-Questers. As a senior, Kahn was a recipient of the American Legion Citizenship award.

PAM BLACK, treasurer of the Senior Class, reigned as Homecoming queen. Chairman of the Easter Lily Drive, she was a representative of Student Government for one year. Pam's activities included GAA, CWA, Leaders, and Pep Club. Last year, she was a Junior Prom attendant.

TOM ZECHMAN was active in basketball, football, and tennis for three years. As a junior, Zechman won the American Legion Citizenship award and the Harvard award; he was also a representative to Boys State last summer. A three-year choir member, he served as president his senior year. I-Questers, NHS, Varsity "S", and YFC rounded out his activities.

Runners-up, below from left, LINDA ROBISON has been an active member and treasurer of DECA I this past year. Other activities included membership in GAA and Y-Teens. She was a 1969 Homecoming attendant.

JIM COOKE served as president of the Student Government his senior year and a representative the two previous years. He has been a member of Toledo Area Student Council for three years. Cooke was active in track for one year and cross country for two. Among his extracurricular interests were Pep, Ski, and Drama Clubs.

SYLVIA MARKOWICZ, in the position of secretary, helped lead the Senior Class. A Homecoming attendant, she was the SHS candidate for TASC queen. Sylvia contributed her talents in two one-act plays and the all-school play, thus gaining membership in Drama Club and Thespians. She served as Wyandotte copy editor and as a Quiz Bowl alternate this past year. Morning announcements, NFL, Speech, and NHS numbered among her other activities.

### chief wyan

TOM BROWNING, 1970 Chief Wyan, was elected by his classmates for his achievements. With sports as a major interest, Browning was an outstanding football player. He received numerous awards, including GLL Player of the Year and was football co-captain his senior year. Browning participated in track for two years and in basketball for one, gaining membership in Varsity "S". He was elected a two-year representative of Student Government and served as Junior Class president.

### princess dotte

LINDA ADDINGTON, as 1970 Princess Dotte, was selected as the outstanding girl of her class. As a varsity cheerleader, she helped fire enthusiasm at varsity games. Linda, a Junior Prom attendant, has been a representative for two years and treasurer of Student Government this past year. Being on Wyandotte for two years, she earned membership in Quill & Scroll. Scholastically, Linda was in both I-Questers and NHS. Other activities she has been involved in were Leaders, GAA, and Pep Club.

academics

# administration initiates

Beginning in the 1970-71 school year grades 7-8 will be housed at McCord Junior High School and the new Arbor Hills Junior High School. Grades 9-12 will attend Burnham Junior High and Sylvania High School, which will serve as a campus complex. These steps are being taken in light of the rapid increase in secondary school enrollment. Plans call for orientation and in-service education for presently employed teachers and new staff during the spring and summer months in preparation for the opening of the "open concept school" in September, 1970.

## school officials

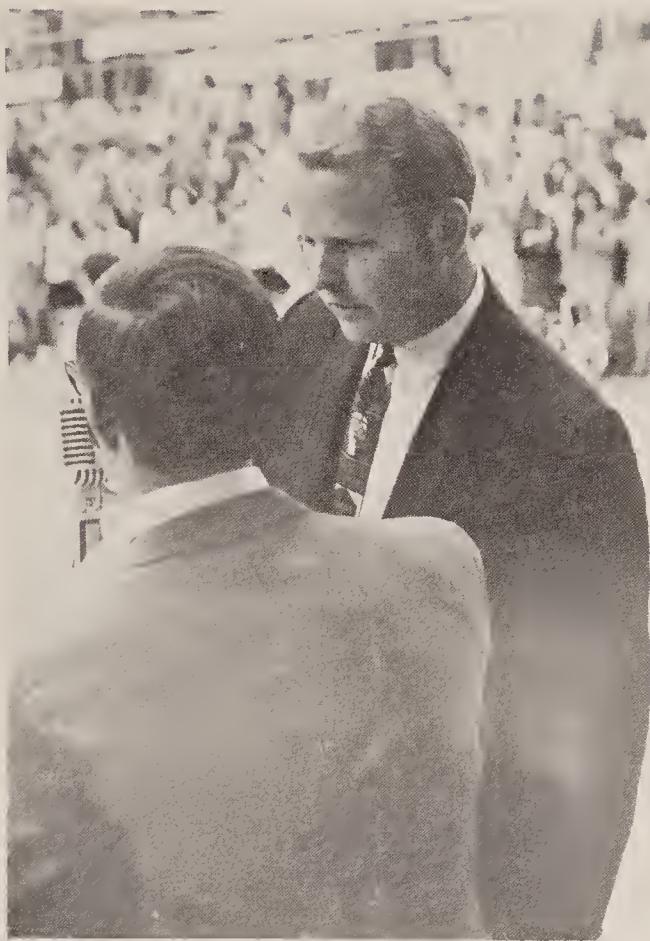

In his third year as principal at Sylvania, Mr. Roy Becker was involved in almost every aspect of school life. To further his understanding of student problems, he attended a seminar this fall sponsored by the State Association of Secondary Principals. He participated in principal discussion groups on student dissent and other current problems. Because of the proposed reorganization of grades nine through twelve, Mr. Becker also served on committees to determine curriculum and scheduling for next year.

As principal, Mr. Roy Becker keeps informed of the activities of both faculty and students.

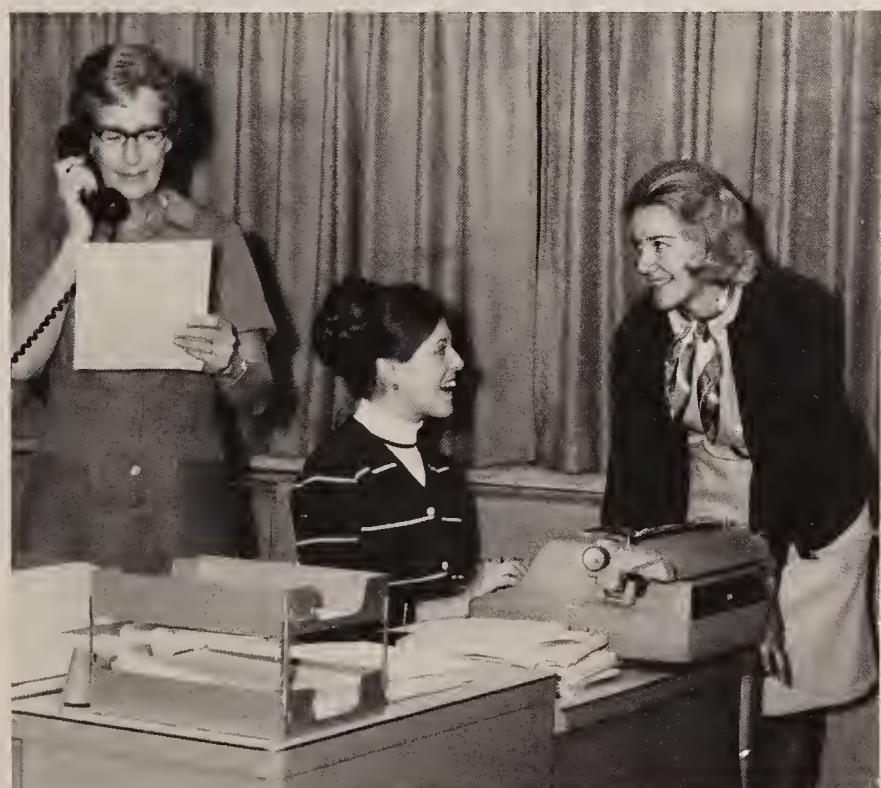

Mr. Becker, Mr. Morrison and Mr. Murbach consult each other on matters concerning school policy.

# keep pace with growing needs

Above, Mr. Larry Morrison and his secretary, Mrs. Grace Goldberg, check attendance. Above right, Mr. Edwin Murbach confers with Scott Eberle before speaking at a pep assembly.

Office secretaries Mrs. Ann Flickinger, Mrs. Sue Kieffer, and Mrs. Janice Lykes are responsible for keeping records in order.

To keep pace with the growing student population, Mr. Larry Morrison was added as a second assistant principal. Formerly assistant principal at Burnham Junior High, Mr. Morrison found his position involved duties such as attendance, truancy, and discipline. To acquaint himself with youth, Mr. Morrison attended lectures at Bowling Green where the problems of juvenile delinquency were discussed. In his second year as assistant principal, Mr. Murbach devoted more time to improve curriculum. One of Mr. Murbach's concerns was the American Studies program. He helped plan and instruct the course. Working together enabled Mr. Murbach and Mr. Morrison to accomplish more work in less time.

# counselors aid the

Projects involving numerous interests require much creativity and understanding. For example, the annual Christmas tree sale, under the direction of Mr. Richard Guyton, enabled the Occupational Work Education students to aid local schools in purchasing athletic equipment. Mr. Ross Graves, vocational supervisor, and Mr. Jon Marquardt, vocational counselor, organized the Occupational Work Adjustment program in the junior high schools to promote and prepare students for the OWE program. In October, Dr. Beverly Robinson, senior counselor, attended a National Counselors Conference in Chicago. Mr. Elwood Edinger, junior counselor, held numerous conferences with college-bound students, while Mr. Thomas Tonneberger, sophomore counselor, oriented entering students to the Sylvania program.

## educators strive for

The English department aimed to help students communicate through written and verbal expression. The American Studies program presented discussions concerning the growth of non-violent protest in America. Mr. Barry Sprink, a Lucas County parole officer, explained the consequences of drug abuse. In English literature, classes attended "Twelfth Night" at Toledo University. Miss Lynda Duesing's literature students discussed the Vietnam war with Mr. Thomas, a student of Toledo University who served in Vietnam.

# communication perfected

The Sylvania language department enabled students to exchange ideas through English, foreign languages, speech and writing. Mrs. Constance Stackpole's theory is constant usage of a modern language helps fluency come easily. Her French IV students spoke French exclusively during classtime. Going to a fiesta in Detroit made Spanish culture studies become realistic for Spanish II students. Public Speaking II classes applied their classroom knowledge when they put on productions of "Denouement" and "Antigone." Future newspaper writers learned the basics of editing through Journalism I and gained experience working on *The Student Prints* and *Wyandotte* staffs.

# classroom originality stimulates

Mr. Causer helps his class understand the different geographical conditions in the world today.

Social studies concentrated on relating historical events with current issues. A representative from the John Birch Society spoke to the American Studies classes. Mr. Howard Walter's sociology students researched the many aspects of crime. A speaker concerned with drug abuse presented his opinions to the American history classes. Government gave seniors the opportunity to analyze the American political system, while through the study of foreign cultures, world history broadened students' knowledge of their own environment.

# stress on accurate procedure

Technology has advanced the opportunity for more in-depth studies offered at Sylvania. The math department had the use of a computer for three days. During this time students formulated computer programs for solving simple math problems. The science department acquired a large-scale model of the human heart for biology and anatomy classes. The addition of a nature observatory proved useful in the study of ecology.

# grid season in 10 years

Sylvania just missed a winning season on the grid-iron during the second year under Coach Paul Harshman. The team of only nineteen players finished the season with a 4-5-1 record. Two first year coaches at Sylvania, Bob Brown and Larry Jones, helped to mold the explosive offense and determined defense. Only those players who had the will to do their best were given their gold practice jerseys and named to the varsity squad. Three Wildcats, Tom Browning, Terry Besco, and Randy Baumgartner, were selected to the Great Lakes League first team. Peter Poll, Glenn Ringle, and Art Lewis were named to second GLL. Tom Browning was also honored as first team All-Suburban and All-District, and attained Honorable Mention in the state.

# kittens develop

During the first year of coaching of Mr. Ron Causer, the junior varsity gridders captured the Great Lakes League championship. The team was known throughout the League as a powerful, high scoring squad. During the course of the season, the kittens had little practice time to themselves, as they were constantly called upon to scrimmage the varsity. At the end of the year, John Teskowski was honored as the most valuable player on offense, Pat Niederriter as the most valuable player on defense, and Brian Darah as the most improved player.

The Sylvania varsity basketball team won top honors in the Great Lakes League for the third consecutive year. The senior-laden team climaxed the regular season with a spectacular 77-70 victory over Bedford for the championship position. Responding to the first-year coaching of Charles Hickman, the team developed into a major threat in Northwest Ohio basketball. Senior captain Bob Conroy proved to be one of the most respected players in the area. Junior Stan Cox led the team in scoring, but was closely followed by senior starters Denny Spaulding, Gary Kahn, Tom Zechman, and Jim Fisher.

Led by junior Danny Rodebaugh and sophomore John Raszka, the junior varsity basketball team tied with Port Clinton for top honors in the Great Lakes League. Losing only once in league competition, the roundballers compiled a 13-3 overall win-loss record. Rodebaugh claimed the top scoring position, followed by John Raszka, junior Jim Bower, and sophomore Tom Lowe. Because of the large number of seniors graduating from the varsity team, these players will be called upon to fill starting positions in next year's varsity squad.

The junior varsity wrestling team compiled an 8-0 win-loss record, the best ever at Sylvania. Bowling Green, St. John's, Fostoria, Bedford, Whitmer, Macomber, Clay, and Port Clinton were all victims of the jayvee grapplers. Seven of the team wrestled varsity as a result of the wrestle-offs, a system which allowed them to challenge a varsity member for his position. Standouts on the team throughout the season were Bill Hurley, Sid Singer, Mike Wright, Steve Alberti, and Mark Floyd.

## varsity grapplers

Sylvania's varsity wrestling team finished its regular season with a 6-1 win-loss record, losing only to Bedford during mid-season. Competing in the Great Lakes League tournament at Bedford in early February, the team placed second behind Bedford. Two Wildcat grapplers, senior Randy Shonk and junior Bruce Stambaugh, placed first in their respective weight classes of 175 pounds and 155 pounds. Coached by Mr. Alan Voggenthaler and Mr. Jay Ludgate and inspired by senior captain Shonk, the varsity had one of its most successful seasons in recent years.

Cheerleaders promoted good feelings and Wildcat spirit at sports events this year. After attending an International Cheerleading Foundation camp, Linda Addington, Jenise Jacoby, and Cindy Tanner brought back to Sylvania a new "straight arm" cheerleading technique. This method proved successful at the University of Toledo's Cheerleading Clinic where four cheerleaders placed first out of 30 other area high school squads. They received an 18 inch trophy and individual gold medals. Black skirts, saddle shoes, and pom-poms were purchased new this year.

## trackmen set new

Under the direction of Coach Lynn Parachek and Coach Robert Parks, the Sylvania track team completed its second consecutive undefeated season in dual meets. In other track action they placed first in both the Great Lakes League meet and the Whitmer Relays, and third in the district meet. During the course of the season, many new track records were set. Running the fastest two mile relay in the state were seniors Dave Goldberg and Mark Trumbull and '69 graduates Randy Smith and John Lowe of 8:01.6 minutes at the Miami Relays.

For the first time, the intramural league was divided into two divisions. Fourteen teams composed of seniors, juniors, and sophomores competed in an eleven-week schedule including a four-week tournament. The Saturday morning games were always rough and high-spirited. If students were unable to compete in the intramurals, they were given a chance to show off their skills during gym class.

# instructors, officers, unify

The a cappella choir has proven its musical versatility once again. The choir experienced a busy year, performing frequently at school functions and out-of-town. Director Louis Davis chose ensembles representing the choir to sing at the Rotary Club throughout the year. Many choir members auditioned for the district ensemble contests which were competitive with schools. Mr. Chip Davis, son of the director, composed a contemporary piece in many different keys, creating abstract chord tones. The choir taped this work during class.

One hundred and fifty-seven new marching Wildcat uniforms made their debut during the football season's first pre-game show. The money earned for these uniforms had come from tag days, candy sales, steak dinners, and the small profit gained on the old uniforms. The majorettes, under the direction of Mrs. Suzanne Owen, enthusiastically led the band onto the football field and through pep assemblies. The traditional band banquet ending the marching season was held at Miller's Turnpike restaurant after the Bowling Green game where 32 squad leaders were honored.

## additional interests

Marching season ended, splitting the band into two sections: the symphonic band, that competes at contests, and the concert band. Within these structures, smaller functional groups existed. The pep band sparked enthusiasm during football and basketball seasons; the German Band performed for the steak dinner and the Band and Orchestra Parents' Association; and Boys Band members spent two weeks in August preparing for and playing at the Ohio State Fair. Tryouts for this variety of choices were held during the year.

In an effort to teach responsible conservation of land and an appreciation of wildlife, I-Questers has undertaken a plan to develop a field laboratory research center. Ideally, the site would consist of approximately 40 acres of partially wooded land, upon which a building containing laboratory, classroom, and dormitory facilities would be constructed. Other plans include a bulldozed pond, trails and photographic points, amphitheatre, arboretum, and an observatory.

The National Forensic League is an honorary organization for those students who have demonstrated ability in public speaking and debating. To qualify for membership, a student must earn 25 points of credit and maintain at least a 2.0 grade average. Members are encouraged to advance themselves by working for higher degrees, awards, and special recognition. Active participation in school publications entitles membership in Quill & Scroll, an international honor society for high school journalists. The annual project is the editing and publishing of the *Syllabus*. All Sylvania students were eligible to submit creative works for the fourth volume of the literary magazine.

The object of the National Honor Society "shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all students of the Sylvania High School." Any junior with a minimum scholastic average of 3.5 and a total of 7 service and leadership points is eligible for membership. Senior candidates must have a minimum average of 3.5 and a total of 10 service and leadership points. Thespians is a national honorary dramatic society which offers membership to students who have obtained points by performing in plays, working backstage, and actively participating on the speech team. Guided by Mr. George Bang, Thespians directed two one-act plays this year, in which each member became directly acquainted with the various aspects of the theater.

GAA BOARD MEMBERS, Jan Welty, Joan Glase, program chairmen; Linda Davidson, Barb Himmelein, Kathy Starner, intramural directors.

The first meeting of the Girls Athletic Association was enlivened by a skit presented by five of the officers. President Deb Cofer emerged at the end of the performance as the "President Nixon" of the GAA. Adviser Mrs. Sandra Howes and the executive staff decided to make "enjoyment" the main purpose of this year's meetings. Hard work, however, was stressed as a requirement for membership.

Members of GAA enjoyed a wide variety of doughnuts served at a fall meeting.

## science, language students

Chemistry Club started off with a bang this year through pyrotechnic experiments, more commonly known to Sylvania students as fireworks. Vice president Mike Stark promised even more colorful experiments with "more detailed and interesting aspects than those found in the classroom." Seniors Tom Valo and Jeff Maludy did a study on computers in chemistry, and club members hoped to hear from representatives of the Owens-Illinois Technological Center and other science oriented firms in the area. Mathematics does not have to be boring. It is not always "nose in the book" and "theorems, laws, and rules." The main objective of the Math Club was to prove just this. One of the first meetings was devoted to searching for relationships between magic and mathematics. Logic, computer theory, and conics were discussed at another meeting, and seniors Tom Giaquinto and Bill Schwartz lectured on mathematical paradoxes.

Seniors Mike Stark and Carol Bennett listen attentively to the speaker at a monthly Chemistry Club program.

MODERN LANGUAGE CLUB OFFICERS, Mrs. Constance Stackpole, adviser; Julie Shoup, president; Jenny Muchow, treasurer; Karen Underhill, secretary.

The annual language symposium and planning dinners at local restaurants serving foreign cuisine were projects undertaken by the Modern Language Club. President Julie Shoup, with the help of Mrs. Constance Stackpole and the club's new adviser, Mr. David Gaddie, also presented monthly programs. Student speakers included Karen Underhill, Ginger Lowe, and Chris Corrigan. Miss Marilyn Hoffman spoke at the November meeting on the political background and role of former French president Charles DeGaulle. The year concluded with the election of officers in the spring.

# experience develops

Girls participating in Business Office Education became involved in a number of activities. Businessmen from various Toledo firms attended a coffee hour in order to acquaint themselves with the BOE program. Future office workers gained experience by rendering their services throughout the school year. They filled out order forms for senior announcements and prepared programs for the "Cat's Meow." The students also completed the data processing information for report cards, receiving practice in computer technology.

Right, Mr. Roy Becker, Mr. Larry Morrison, and Mrs. Jacqueline Westland enjoy the hospitality of Senior BOE at the annual tea.

Vocational Industrial Clubs of America include studies in four areas: electronics, auto shop, machine shop, and carpentry. Early this year, the officers and five selected members attended the statewide VICA Fall Convention. During winter meetings, plans were made for a trip to the spring convention in Columbus. Senior VICA president Bruce Brockway and Junior VICA president John Rower are planning a group visit to the state capitol during their stay.

# enthusiasm, efficiency insure

Below, DECA ADVISERS, Mr. Charles Johnston and Mr. Robert Minsel.

This year, the Distributive Education Clubs of America emphasized the fact that enthusiasm as well as efficiency insures success. During National DECA Week, the members of DECA I tried to "outdo" its rival Sylvania chapter by presenting each faculty member with a polished red apple. They also promoted the Toledo area's annual Toys for Tots campaign within the school. For its creative marketing program, DECA II made a handy directory of businesses and professionals in the Sylvania area. This chapter also had the opportunity to voice its opinions on the air. During the week of November 5, members of DECA II participated in a radio program on Sylvania's WGLN.

Both DECA chapters sent representatives to a leadership conference in Bowling Green and took part in various field trips. Each student had to complete a research manual by early January, studying one aspect of business in detail.

The Wyandotte staff had a restful Thanksgiving vacation for the first time in a number of years as they met their November deadline of 124 pages on time. The division of the Student Activities section into four parts, each having a separate editor, helped to relieve many of the "deadline blues." The extensive use of poetic copy in the '70 Wyandotte allowed the staff to emphasize the moods of Sylvania students. Sales of both ads and books were greatly increased over last year, making possible interesting innovations in artwork and photography.

Under threat of a period in the "Bad Chair," Pub people were careful to be neat and clean during their work sessions in E-1. This did not limit fun, however, and the Pub was more than once the scene of joyous times, including many a heated game of trivia and a surprise birthday celebration for Mr. Marlo.

# for greater coverage

This year's *Student Prints* staff put out a weekly *Prints* for the first time, and the size was decreased from six pages to four. The staff was about twenty percent smaller than last year's, which, according to co-editors Cathy Cook and Pete Gottschalk, made operations run more smoothly. Increased revenues from Christmas ad sales were able to support the paper through five extra issues. A much noticed improvement was the broadening of editorial topics to include important happenings outside of school.

Drowsy eyes, thermos bottles, and blankets were common sights at 3 o'clock Saturday mornings in the main hall lobby as the speech team gathered its forces. The speech year began in November and ended in March by which time members of Sylvania's team had attended 12 tournaments. On January 17, Sylvania hosted its own tournament which involved out-of-state as well as local schools. This year the team was the largest it had ever been, and Coach George Bang hopes that the interest in speech continues to grow.

Senior Cathy Tropf reads for a part in an all-school play presented by the speech department.

The Debate Club focused on understanding and research of current world issues. Direct approach to topics was stressed as Dr. Robert Terry of the University of Toledo addressed the club. The debate team was composed of more members and received more awards this year than ever before. During the summer, varsity members attended institutes at Wake Forest and Georgetown University. Involved for the first time in out-of-state competition, the varsity team travelled to Boston and Pittsburgh, accompanied by debate coach Mr. Paul Hoeffel.

Senior Lindy Shannon cares for the numerous trophies awarded to Sylvania debate teams in recent years.

Extra-curricular organizations stimulate individual interest and develop practical skills for participation in outside activities, rounding out the personality of all concerned.

# drama develops the art of expression

DRAMA CLUB, front row, Mr. George Bang, adviser; Mike R. Graham, president. Second, Jane Bayles, secretary-treasurer; Dick Miller, vice president; John Robinson, sergeant-at-arms; Janey Ladd, Becky Seeman, program chairmen.

The all-school plays and one-acts could not have functioned smoothly without the support of the Drama Club. Active participation in one of Sylvania's dramatic productions was required for membership. Therefore, membership was closed to sophomores until second semester. On December 11, another aspect of stage life, the mechanics of the theater, was presented by Mr. Joe Sweeney of the Village Players. The drama students sponsored a workshop in the spring to develop and exchange theatrical techniques with other schools. Speakers were engaged from area organizations.

Below, Mr. Joe Sweeney refers to his notes while explaining the mechanics of the stage to the drama students.

The Medical Careers Club was organized years ago to aid students in pursuit of medical and paramedical careers. Because the club was allied with the Toledo Academy of Medicine, club members received literature and invitations to seminars and symposiums throughout the year. A cancer symposium was held October 25 exposing the causes and effects of this dread disease to Sylvania mothers and daughters.

# pursuit of interests

Above, members of the Medical Careers Club take time out from the December meeting for a Christmas party. Left, YOUTH FOR CHRIST CLUB, Mr. Gary Kocher, adviser; Gail Lower, secretary; Nancy Garrison, treasurer; Mike Savidge, president; Denny Spaulding, vice president.

Youth for Christ unifies students through the spirit of religion. The Chargers, a basketball team which uses its sporting ability to spread the Christian message, sent a representative to one of the meetings to speak on Christ's word. Those who attended engaged in folksinging and discussions concerning ethics and fellowship. Future Teachers of America is an organization that helps to further interests in the field of education. The club based meetings on the different aspects of teaching. Members participated in a hayride, a bowling party, service projects, and a visitation day at local elementary schools. The traditional progressive dinner ended another year for FTA.

## future plans stimulate

The purpose of Future Homemakers of America is to promote new arts and skills in homemaking. Monthly meetings centered on encouraging the girls to plan for the future and become successful homemakers and citizens. Under the guidance of Mrs. Janet Crandell and Mrs. Ruth Vaznelis, Jayne Shepard, Natalie McBride, Sherri Shepard, and Diane Puszczewicz prepared and served the Faculty Birthday Party held December 2. During the weeks before Christmas, the 25 members made small favors for various children's homes in the Toledo area.

Under the supervision of Mrs. Iva Ware the members of Future Business Leaders of America enjoyed a successful year, both educationally and socially. Rotating program chairmen organized Halloween and Christmas parties, caroling at Lake Park, a spring slave day, and business speakers. Field trips enabled students to observe industry in action.

# availability of facilities

LIBRARY CLUB OFFICERS, Dora Dominguez, vice president; Mrs. Betty Follas, adviser; Joanne Thatcher, treasurer; Greg Benedict, president.

The library continued to expand this year. Special books were ordered to fit the needs and demands of teachers and students. The 17 library workers under the supervision of Mrs. Betty Follas, librarian at Sylvania for 24 years, prepared books for circulation, distributed, and put the books away after use. The workers were also affiliated with the Library Club open to both the resource center and the A-4 library staff. Mr. Theodore Dennison, school treasurer ran the finance office under a new bookkeeping system. His assistants aided him in handling the many accounts.

# encourages student research

As the new director, Mrs. Lynn Edwards and her staff have worked to change and expand the resource center to meet the needs of a growing school. Facilities were made available for students to produce slide tapes and view film strips at any time. A new more informative audio-visual catalog was published. The film staff spent many hours making bookings and packing or unpacking suitcases. Adviser Mrs. Anne Nasits initiated the organization of seasonal material packages, which includes films, filmstrips, and other instruction materials about the seasons and holidays.

## chairmen adapt to new

Sportsmanship chairman Gail Lower displayed team enthusiasm and support with posters, spirit ribbons, megaphones, badges and pennants. Class rivalry climaxed during the fall and mid-year spirit weeks. Polls were conducted by Student Welfare chairman Gary Kahn concerning the student body's attitude towards the student commons and the dress code. A chest containing health, educational and school supplies was sent to Vietnam by the Red Cross committee. Chairman Sue Flanner supervised the recruiting of volunteers for the March of Dimes and Easter Lily drive.

# constitution with new ideas

Above, BREAKFAST CHAIRMAN, Monica Comstock. Below, ELECTIONS CHAIRMAN, Mike Stark.

Elections chairman Mike Stark spent the summer revising the methods of his department. In September, students could register in homeroom for voting privileges in class and government. Ballots for class officers, queens, dance themes, and the dress code poll were distributed by student government representatives. By May, 10 elections had been successfully handled. Every morning, for those who arrived early to school, the Student Government breakfast provided a choice of rolls, milk, and hot chocolate so that no student needed to study on an empty stomach. Early in the year, the Safety chairman sponsored a car check to issue new parking stickers for registered cars. To designate fire drill exits, arrows were posted above all classroom doors.

# government's major concern:

Student Government members and observers listen attentively to President Jim Cooke's opening remarks.

The welfare of the school and community was the major concern of the Council Projects committee. To help boost student interest, chairman Caron Wilk introduced new activities which proved to be both beneficial and entertaining. The Folk Festival, a musical presentation in the fall, attracted approximately 600 people. The Thanksgiving turkey raffle aided a needy family, as did the Christmas and Easter projects. Terry Sharp led the Organization's committee in the revision of clubs; a number were dropped, and many new ones joined the club council.

Senior Representatives Don Burnard and Mark Vitou seek recognition.

AMERICAN FIELD SERVICE, Ginger Lowe, Americans Abroad Student to Spain; Jill Maedel, chairman; Sukonta Wongcharit, AFS exchange student.

Public Relations took care of announcing the many fine projects undertaken by the Student Government. Chairman Karen Underhill also sent Government progress reports to the Sylvania Sentinel. The American Field Service promotes understanding between the youth of all nations. This year's exchange student from Thailand, Sukonta Wongcharit, was introduced to Sylvania students at a swim party held at the home of Jill Maedel, AFS chairman. In February the exchange students of the area were invited to share their experiences at "Desserts Around the World." The successful showing of "Born Free" in the Burnham auditorium earned a much-needed profit for the Sylvania chapter.

# enthusiasm finds outlets in cheering,

Emcees Jan Welty and Pam Black generate "Roaring '20's spirit" at the Rogers game pep assembly.

"School Spirit," the topic for an impromptu speech, stimulated concerned students to organize the Pep Club. Mrs. Suzanne Owen was secured as adviser and work began immediately to gain the support of the student body. The organizers asked for advice from various athletic coaches and promoted Pep Club in all their classes. These spirit boosters worked hand-in-hand with the Student Government Sportsmanship committee selling spirit ribbons and badges, scheduling buses for the away games, and painting posters.

# patient discipline

CAMERA CLUB, Tom Parseghian, president; Tom Paul, vice president; Mr. Thad Abell, adviser; Dave Feeback, treasurer; Cathy Taylor, secretary.

For the past 15 years the Camera Club has experienced widespread popularity with meetings having standing room only. The club's program was centered on meetings and the daily activity in D-9. Here members used their study halls to develop photographs taken of school and community activities. Combined efforts produced a movie, "The Games People Play." The Chess Club revised its policies this year to meet the new standards of the activities board. Membership was open to sophomores only. Instead of participation in league tournaments, it organized its own competitive games after school.

Tom Parseghian relies on his sense of accuracy to assure proper proportions while enlarging a negative.

SOPHOMORE CHESS CLUB, Jeff Oberle, treasurer; Joe Sielicki, vice president; Ken Stark, president; Mr. Peter Stamos, adviser; Brent Rubin, secretary.

# riding, rifle, ski clubs develop

The subject was horses and the only requirement necessary to join the newly formed Riding Club was interest. The 62 members received individual horseback riding instruction and found many ways to enjoy their recently acquired skills. A hayride was held in October and during the Christmas season the equestrians entertained Acres Road residents by caroling on horseback. Riding Club also organized a horse show in which members competed against each other.

RIDING CLUB, Melinda Jacoby, treasurer; Jayne Scofield, secretary; Kathy Starner, vice president; Laurie Doran, president; Mrs. Roberta Hudson, adviser.

SKI CLUB, Mr. Tom Laasch, adviser; Dan Smith, vice president; Jill Maedel, secretary; Curt Williamson, treasurer.

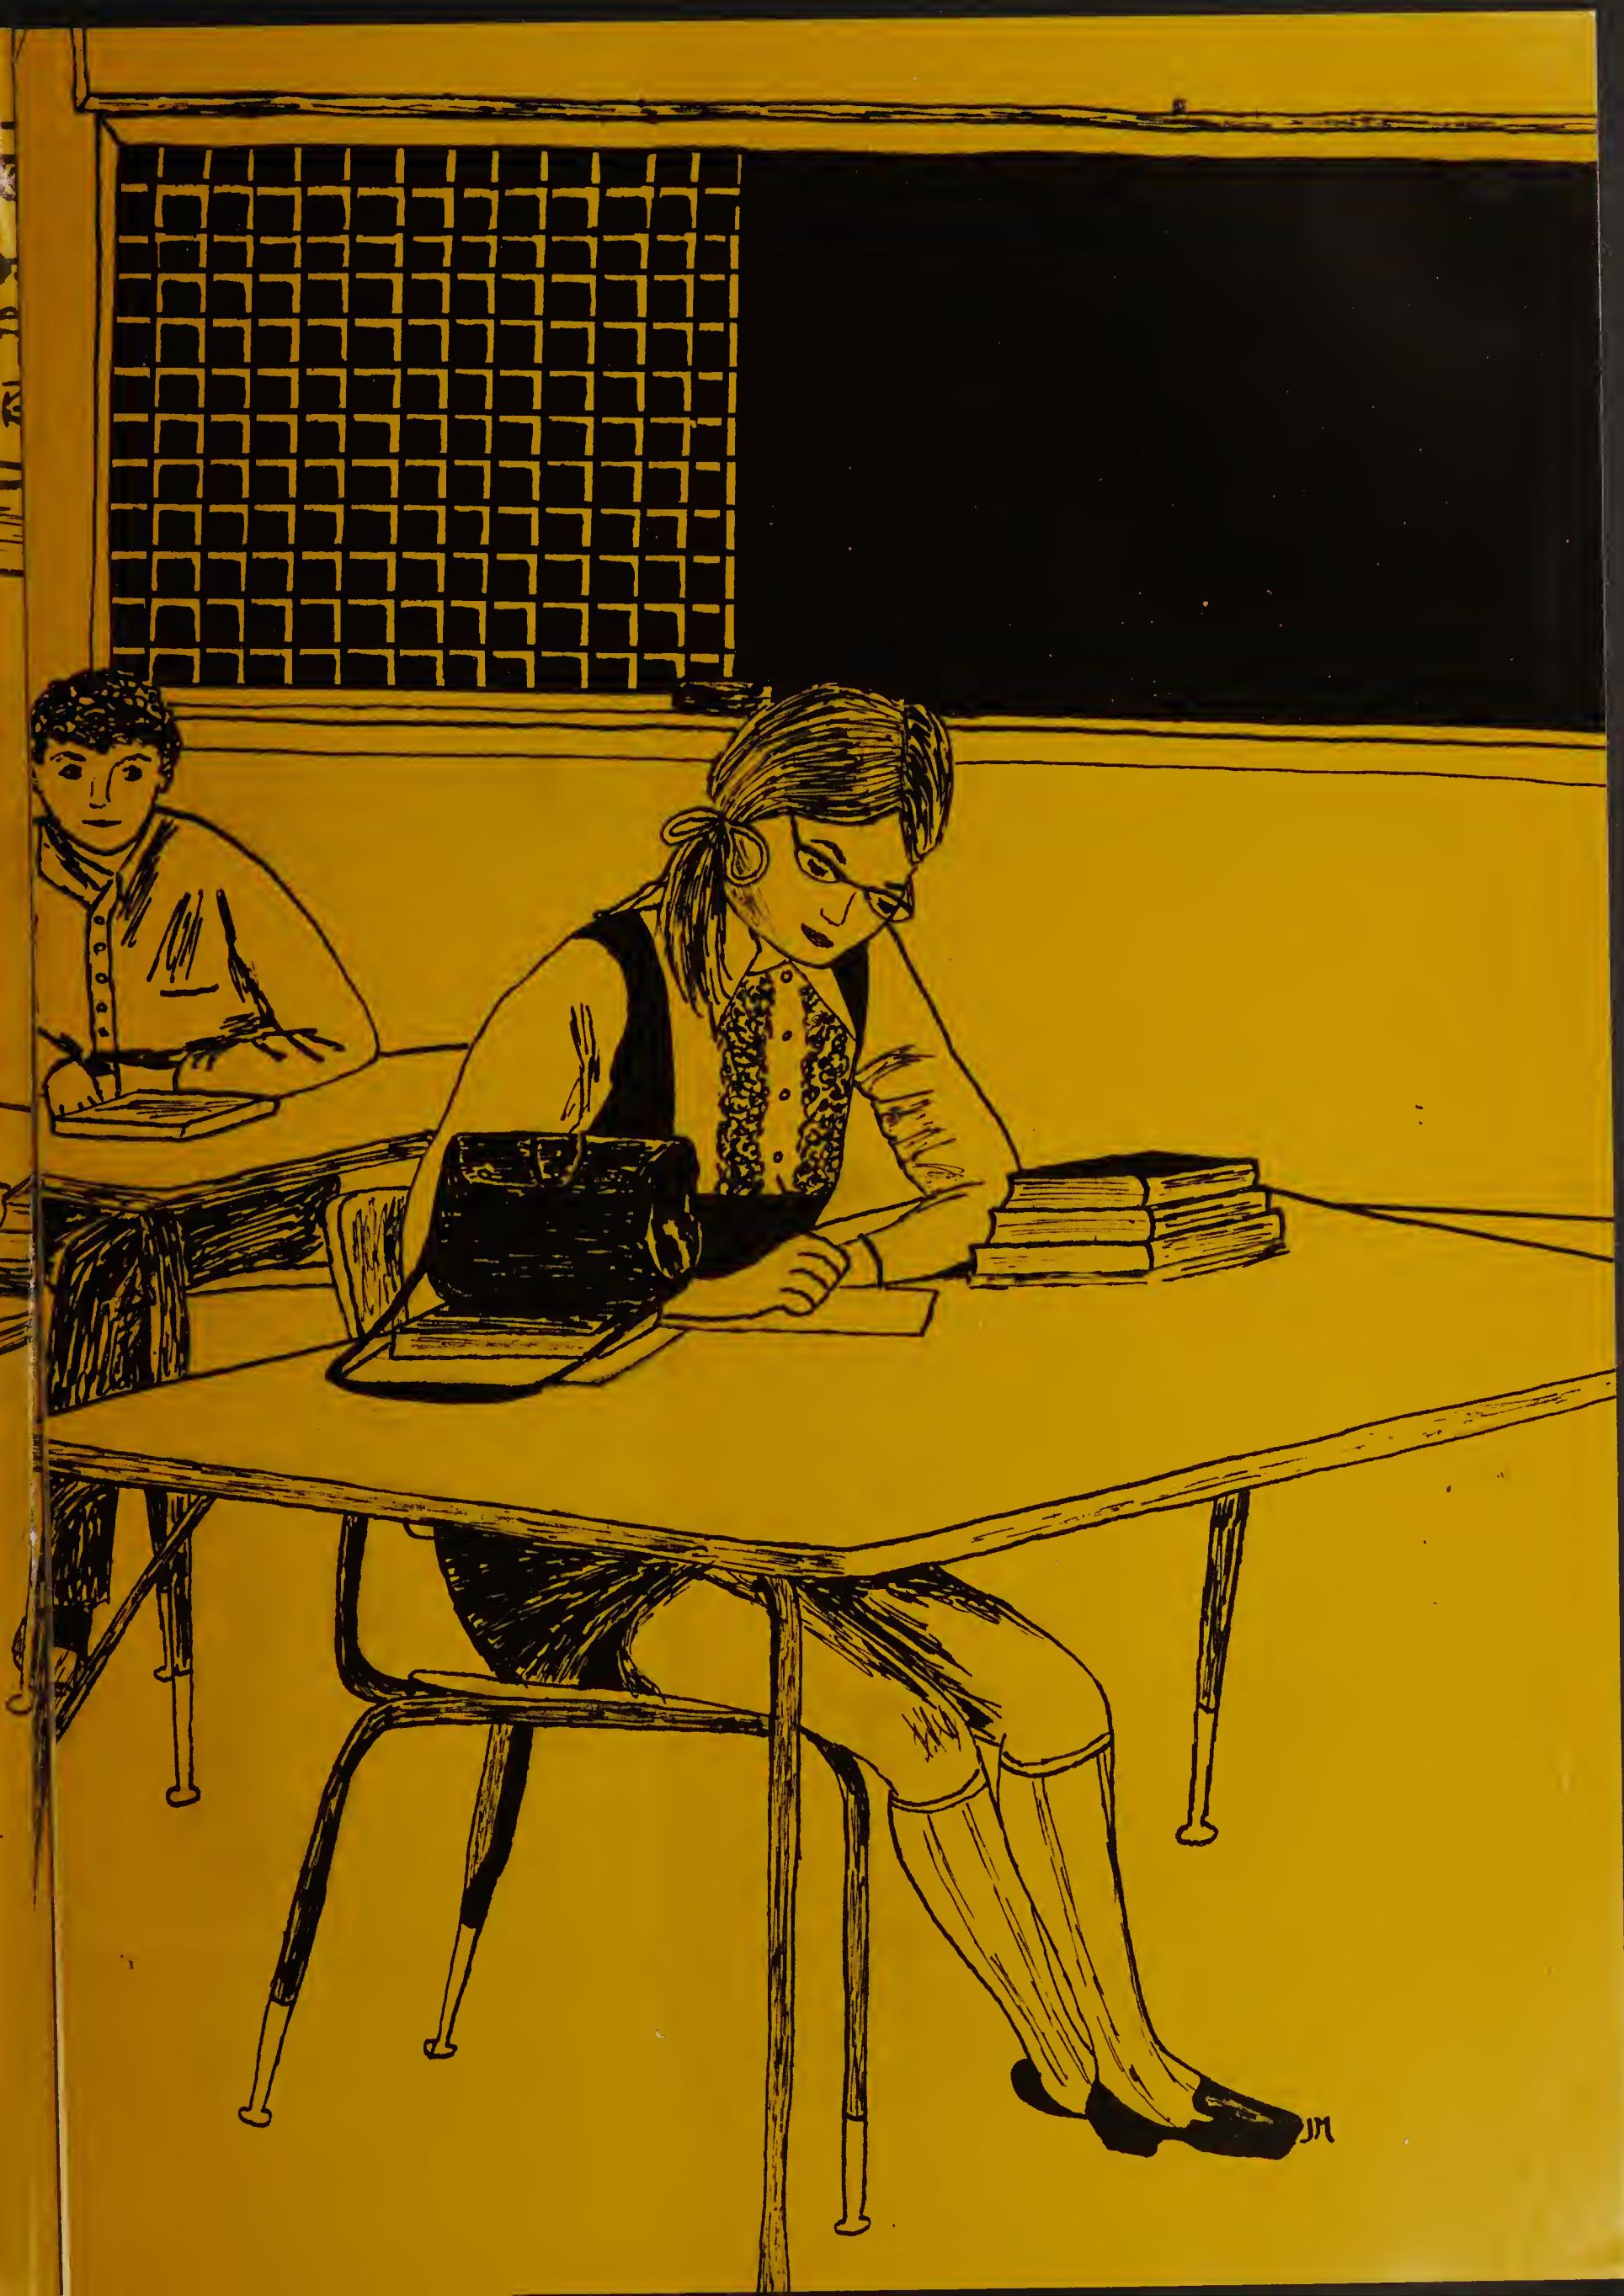

The Ski Club was one of the most successful new organizations at Sylvania this year. Mr. Tom Laasch, an experienced skier, chartered the club. With the help of president Tom Dutton, he staged a number of trips to Boyne Mountain and other ski areas. The Rifle Club offered instruction in rifle skills as well as enjoyment of the sport. Members held practices dedicated to improving marksmanship, and the club entered city-wide competition through the Toledo Rifle League.

Mrs. Norma Mead, Mr. Howard Walters, and Miss Mary Ann Mueller offered time and experience to the class of '71.

Juniors  
in the middle  
in between  
unlike middle children  
juniors occupy a special place  
in the school structure  
busy and happy  
with good intentions  
and great results  
they know and learn  
patterns of bittersweet reflection  
diffuse with their hope  
to someday soon  
gain that glorious senior power  
Suddenly older  
wiser  
and ready  
to inherit  
a dream

#### POCKET-MEMO

"Talking" notes instead of scribbling or forgetting them *is* note-worthy. This "pocket-size" Norelco 85 Pocket-Memo is new . . . and it's rapidly changing the note-taking habits of executives, doctors, lawyers—everyone.

Why Norelco? It's professionally engineered—yet it's the smallest, lightest available! Norelco records and plays back instantly—with the fidelity of magnetic tape. Exclusive Mini-Cassette™ "snaps in" to load automatically. The price is only \$85\* . . . and that's note-worthy too!

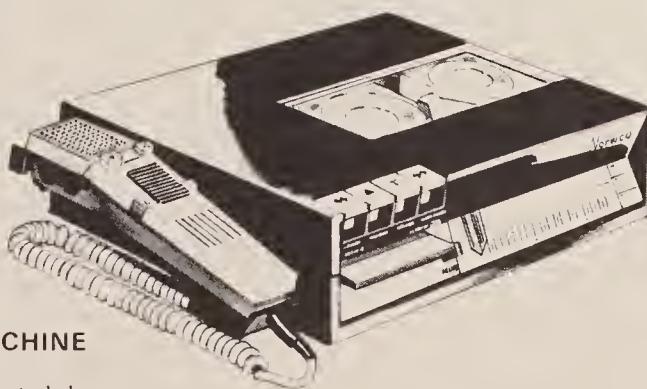

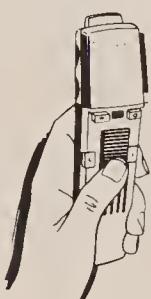

Just pick up the microphone and start talking. Controls are right under your thumb with automatic push buttons for starting, stopping, instant playback, marking special instructions and the end of letters. Exclusive Norelco tape cassettes load automatically. Magnetic tape gives greater clarity for recording and playback.

## Fiberglas cord is making tracks.

These tough glass fibers from Owens-Corning add safety and performance to tires on most 1970 Detroit cars. They form the fabric that protects Apollo space suits from temperature and fire.

And Fiberglas\* reinforcements put strength and durability into a majority of pleasure-boat hulls built today. In fact, it's estimated there are more than 33,000 ways Fiberglas materials can profitably replace metals, wood or cloth. They're already in many of these uses right now, moving fast into others.

Your career could make tracks at Owens-Corning too. There are hundreds of opportunities. For information, write us: Owens-Corning Fiberglas Corporation, Fiberglas Tower, Toledo, Ohio 43601

soliloquy  
solus—alone  
loqui—to speak  
one way in which  
man has sought and found himself,  
his identity . . .  
for hundreds of years

a year, 365 days,  
a complete revolution of the earth  
around the sun.  
a thin slice of eternity  
man's attempt to measure the  
immeasurable.  
a few brief moments . . .  
one sixtieth of a lifetime  
each answering or confusing—  
the question of identity.
